

Sidesmen's Report for the APCM 2025

We have a very good team of sidesmen who do a brilliant job at all the services in St Michael's Church. It is very important for all ages and for regular churchgoers as well as newcomers to see a friendly face and to feel welcome as they enter the church.

It is also vital that everyone is given the relevant books and/or sheets for them to follow and join in the worship. The sidesmen can also try to answer any questions or direct them to a member of the clergy team or the churchwardens if necessary.

Thank you very much to all the sidesmen who regularly do these duties and to those people who have volunteered in this role for many years and have recently stepped down. Your work has been greatly appreciated.

If anyone would like to join our team on a regular basis or as a reserve, please let us know.

Carole Macdonald.
