

Sidesmen's Report for the APCM 2024

The team of sidesmen for the Sunday and Wednesday services continue to work hard each week. They hand out the service books or sheets and hymn books and more importantly welcome everyone entering the church. I'm sure the regular church goes and also any newcomers are happy to be greeted by a friendly face, when they come into the church.

Some of the team have moved recently and I'd like to thank Pam Johnson-Cook and John and Elizabeth Steward for all their help over many years. It is greatly appreciated.

A few more people have agreed to be on the Sidesmen's rota but it would be lovely to have more people on the team. If you are interested in helping, please let me know.

Thank you.

Carole Macdonald
