

Sidesmen's Report for the APCM May 2026

Thank you very much to all the sidespeople who do a regular duty at the church services. It is a team of reliable and conscientious people who meet and greet all the congregation as they enter the church and hand out the relevant books or service sheets. A warm and friendly greeting to everyone entering the church is very important and any newcomers can be helped and made to feel welcome.

Many thanks also to all the sidespeople who are happy to do an extra duty when needed and when there are special services and at Christmas or Easter.

Thank you very much to Margaret Trickett who has decided to step down after many years and to Tracy Williams who has joined the choir. Your hard work and commitment were greatly appreciated.

We also welcome Blanche Hill and Alistair Rust to our team. I'm sure that they will both do a great job.

If anyone else would like to be a sidesperson on a regular basis or as a reserve, please come and have a chat.
