

PCC AGM
APRIL 26th 2020
SOCIAL COMMITTEE REPORT

The social committee continues to run three coffee mornings a year and one in conjunction with the Children's Society. These events raise approximately £800:00 over the year.

Together with the Sunday coffee money and the Parish Breakfast takings we are able to supply the WCC with Coffee, Tea, Sugar, Kitchen products etc.

This year we were again able to give £2000:00 to the WCC Management Committee. The church Kitchen has a new fridge and kettle provided by the committee's funds.

Over the year the committee has provided refreshments for various meetings including the Deanery Synod meeting, Safeguarding meeting and the interviews for the families Minister.

During lent the committee and friends make and serve soup served after the lent talks

The Committee organised two events for the congregation to attend. The Afternoon Tea in May was sadly poorly attended but the guests there enjoyed themselves and were treated to an excellent thirty minutes of entertainment by pupils of Bishops Stortford College under the direction of David Arkell. In contrast the Harvest Supper in October was well attended and comments were very favourable so we hope to hold the event again this year.

Daniel Robinson held their Carols and Candlelight Service for the bereaved in December and we helped with the setting up and serving. After the refreshments Daniel Robinson very kindly donated the leftover biscuits, tea and coffee for which we are very grateful.

The Holly Fair saw the introduction of Soup onto the refreshment menu and was a successful addition. Bacon Rolls are still the best seller and we have noted to buy more bacon and rolls for this year!

This will be my last PCC AGM report as I will be standing down as Chairman at the end of July, but I will stay on the committee. We are looking for a new Chairman so please come forward and join us.

Pam Johnson Cook

Chairman
