

TLC Club 2024

With God's Blessings we have continued to offer afternoons of love and fellowship throughout the last year on the first Tuesday of each month and our numbers have increased and then held steady as we came towards Christmas and the New Year.

We have welcomed a variety of speakers in 2024 and been able to give small donations to the organisations of which they are involved and at the end of the year once again we placed £400 in to Church funds for the maintenance of the Windhill Churches Centre where we meet each month and for which we are most appreciative

I have a wonderful team of helpers who are so reliable in providing delicious cakes and working in the kitchen looking after all our visitors and also producing items for the Bring and Buy table for which we always have small gifts to purchase for a small price!

Our table quiz each month is much enjoyed and is a great initiative for newcomers and there is always a prize for the lucky entrance ticket holder too.

Whilst we are part of St Michael's Church we welcome anyone in the Community who is looking for a pleasant event to meet with new and longstanding (old!) friends and so do come and join us when you have a free first Tuesday of the month. We would love to see you.

Love and prayers
