

## Secretary's Parochial Church Council Report for 2023-24

The PCC has held 5 full meetings during 2023/2024 in July, September and November 2023 and February and April 2024. Meetings have been co-chaired by the Vicar and Church Wardens, and PCC members discuss all aspects of church life and vote on proposed resolutions. The substance of PCC discussions touches on all the various reports considered at this meeting. Members of the congregation are welcome to bring any matters of concern at any time to our PCC lay representatives, or to volunteer to be a member of a particular group or committee. Currently the two formal sub-committees of the PCC are the Finance Committee and the Charities Support Group.
