

Bishop's Stortford & Sawbridgeworth Street Pastors

Representing *your* church on the streets of *our* community

Friday and /or Saturday nights

10pm-2am visiting the pubs, bars, restaurants and railway station, we:

- * Listen to those who want to chat
- * Sweep up bottles, glass
- * Spend time with those under the influence of drugs or alcohol until they are safe enough to make their way home alone
- * Call taxis/friends/relatives for safe transport home
- * Charge mobile phones
- * Hand out bottled water, fruit pastilles, flip flops, space blankets, plasters, sanitising wipes, sick bags,
- * Signpost to relevant organisations as needed
- * Call emergency services and remain in support until help arrives

Please pray for
our work and
for our team
