

The Galliard Trio was formed forty-two years ago. Since then, it has been giving concerts throughout the south of England, in music clubs, stately homes, churches, schools and arts centres. It sometimes performs in support of good causes such as the National Trust, church restoration funds and other charities. The Trio is a regular visitor to Hertfordshire, having played in Ashwell, Letchworth, Hitchin, St Albans, Wallington and Barkway. This is its first visit to St Michael's.

The Trio has established a reputation for programmes of great variety. Its repertoire is wide, partly because of the different combinations of instruments available and partly because of the arrangements it has made of music by many composers.

The members live within a short distance of each other in North London, but the Trio performs regularly throughout the Home Counties.

The Trio has recorded some of its favourite pieces on two CDs which are on sale today.

You can sign up to receive an occasional newsletter about future Galliard concerts or invite the Trio to play for a charity of interest to you. Contact: Andrew Morris on 020 7689 2397 or andrewmorris@msn.com.
